

AROMATIC BANDEX R

OVERVIEW

Bandex R is specifically designed for use on oven bands, baking sheets, and tins. Its unique composition allows for economical use, as it can be applied in small amounts with a brush or sprayer. This release agent provides excellent release and will not form carbon deposits, ensuring that your baking sheets and tins remain in pristine condition. Its versatile nature makes it perfect for a variety of baking applications. Try it today and see the difference for yourself!
