

CHOCKEX PREMIUM WHITE

OVERVIEW

A high quality non-tempering coating with an excellent taste of white chocolate. Made from segregated certified RSPO palm oil. Does not contain any hydrogenated fat. Free from soy.

Chockex is an alternative to regular chocolate and can be used for coating, dipping and much more. This high quality product is suitable for decoration and moulding. It gives a nice shine and a hard snap.

One of the greatest benefits of Bakels Chockex is that it does not contain cocoa butter, which makes it easy to use as it does not require any tempering.
