

PETTINICE PREMIUM SUGAR PASTE

OVERVIEW

Pettinice is a top-quality premium sugar paste with a delicious taste of vanilla. It is available in several colours and creates an exquisite, smooth finish. The paste is extremely elastic, making it fantastically easy to work with. It can be used for covering cakes, cookies, swiss rolls and cupcakes, as well as for modelling and decoration.

Our Pettinice sugar paste is ideal for both handcrafted and industrial production. It is known for its high quality and is used by confectioners throughout the world. It is also available to consumers in several countries.

Read more about the product and see the color map in our folder.
