| Product type                           | Natural flavour, without added colour. Contains pure raw saffron and gives a sweet and full taste of saffron, as well as a nice, intensive yellow colour. Free from E-numbers as it does not contain any thickening agent. Concentrated formulation implies a lower dosage. For flavouring of baked and unbaked products. |                 |             |
